La passione per il lavoro eseguito a regola d'arte e la cura dei particolari ci pongono come obiettivo l'ottenimento del miglior risultato per quanto riguarda qualità, funzionalità, immagine del prodotto. Partendo dallo studio delle forme, passando poi alla qualità dei materiali impiegati ed ai vari passaggi produttivi, tutto viene seguito con particolare attenzione e cura fino alla finitura del prodotto: il nostro orgoglio è la soddisfazione del cliente.

Our passion for work done in workmanlike manner aims to obtain the best result on quality, functionality and image of our products. Starting from the study of forms, passing by quality of materials and the various production stages, everything is done with special care and attention, our pride is customer's satisfaction.

Qualita nei prodotti e nelle varie essenze impiegate (noce, rovere, frassino, acero, faggio, ecc.), quantità (oltre 40.000 sedie sempre a magazzino), flessibilità del servizio (possiamo produrre con celerità sia la fornitura per la casa che le elevate quantità proprie del settore contract), cura dei prodotti e delle finiture: l'esperienza maturata in oltre quarant'anni di lavoro in questo ci contraddistingue.

The checked quality of our products and of the various wooden essence used (walnut, oak, ash, maple, beech wood etc.), the quantity (more than 40.000 chairs always in warehouse), the flexibility in customer service (we can quickly provide both house supply and high quantity of contract sector), the special care in production and in finishing and a 40 years experience is what characterize our company.
